## ER. RAVI KUMAR
### ASSISTANT PROFESSOR (CSE/OIC)

As we step into another thrilling chapter together, I want to take a moment to express my genuine excitement and anticipation for what lies ahead. Each one of you brings something unique to the table, fueling our collective journey with creativity, insight, and determination. This upcoming semester is not just another routine; it's a fresh opportunity to challenge ourselves, break new ground, and exceed our own expectations.

Let's embrace the challenges, engage deeply with our passions, and support one another in our academic and personal growth. We are not just a department; we are a dynamic community poised to make a significant impact. I am incredibly proud to be part of this team and can't wait to see all that we will achieve together.

## ER. ADITI MAHAJAN
### ASSISTANT PROFESSOR

I, heartily congratulate the team members for this ardent venture of releasing the second edition of our newsletter "INNOVERSE," as an earnest endeavor to encourage and document various activities and achievements of the department. This publication not only showcases our collective accomplishments but also serves as a beacon that lights the path of innovation and excellence, we are all striving towards.

May this edition of INNOVERSE remind us of our potential to turn ideas into impactful realities, inspiring us to push boundaries of knowledge and creativity. Let's keep this spirit alive as a team and department, nurturing curiosity and upholding our commitment to excellence. Here's to many more editions celebrating our journey and progress. Keep soaring high!

## DR. RIGZIN ANGMO
### LECTURER COMP. ENGG.

My professional experience has afforded me the opportunity to work and contribute my skills within a diverse team like yours. Your team possesses an intellectual mindset and an infinite capacity for interactive commitment to pushing the boundaries of technology and creating cutting-edge solutions.

Undoubtedly, this team possesses immense energy to reach new heights and bring pride and fame not only to JNGEC but also to our state. I believe there will be many individuals akin to "Jay Chaudhary" graduating from this campus and evolving into brilliant entrepreneurs. I wish each and every one of you the best in life.

## ONLINE EXPERT LECTURE

*~ ER. RAVI KUMAR*

The CSE department has organized an expert lecture for 3rd-semester students specializing in Artificial Intelligence and Machine Learning (AIML) by Dr. Amritpal Singh, an esteemed Associate Professor from Lovely Professional University's CSE Department, will enlighten us on the vital topic of "Big Data and its Importance in AI."

Held on December 5, 2023, from 4:00 to 5:00 PM at the Computer Centre within the CSE Department premises, this lecture promises to be an enriching experience for all attendees.

We extend our heartfelt appreciation to Dr. Amritpal Singh for graciously sharing his expertise with our students. His insights are bound to inspire and equip our budding technologists for the challenges ahead in the realm of Ai&Ml. We express our gratitude to the authorities for their support in enriching the academic experience of our students.

In conclusion, we eagerly anticipate Dr. Amritpal Singh's lecture and are confident that it will be a transformative learning experience, leaving a lasting impact on our students' understanding of Big Data's significance in the realm of AI.
