

Events Organized

- **National workshop on “*Innovations and Emerging Trends in Textiles*”** was organized by the Department of Textile Engineering under TEQIP II on 27th April, 2013 for dissemination of knowledge on recent innovations and their implication.
- **Two days National seminar on “*Recent Innovations and Advances in Textiles (RIAT)*”** was organized by the Department of Textile Engineering from 28-29 March, 2014.
- **International Conference on “*Innovation in Textiles (INNOTEX-15)*”** was organized by the Department of Textile Engineering from 7 Nov 2015.
- Department of Textile Engineering organized TEQIP-II sponsored **International Symposium on “*Emerging Technologies in Textiles*”** on 26th September, 2016 in the college.
- Department of Textile Engineering organized TEQIP-III sponsored **One Week Workshop on “*GATE Exam Preparation*”** for final year Textile Engineering Students from 19-23 Dec 2017 in the college.

Expert Lectures arranged:

Department of Textile Engineering conducted series of expert lectures by Professors, Industry experts and Research scholars from reputed institutes.

- **Prof. A Mukhopadhyay**, Department of Textile Technology, NIT Jalandhar on **“*Application of Filtration in Textiles*”** on 22 Feb 2014
- **Dr. Vinay Kumar Midha**, Associate Professor Department of Textile Technology, NIT Jalandhar on **“*Sewing Dynamics & Threads*”** on 22 Feb 2014.
- **Prof. K.N. Chatterjee**, Head, Department of Fashion and Apparel Engineering, The Technological Institute of Textile and Sciences, Bhiwani Haryana delivered lecture on **“*Garment Manufacturing*”** on 16 May 2015.
- **Sh. Indrajit Pal**, Sr. Manager Arisht Spinning Mills (A unit of Vardhman Textile Ltd), Baddi (H.P), on the Topic **“*Latest Development in Spinning and Textile Testing*”** on 14 August 2015.

- **Dr Rajesh Mishra** from **Technical University of Liberec, Czech Republic** and **Prof. B K Behera** from **IIT Delhi** delivered lecture on **“Nanotechnology and applications in Textile”** and **“Advancements in Weaving technology”** on 6th November, 2015
- **Mr. Ashish Kapoor**, Research Scholar, College of Textiles, North Carolina State University, Raleigh, NC, US delivered an expert lecture on **“Smart Textiles”** on 06 August 2016 for faculty and B.Tech Textile Engineering students.
- **Er Varun Sharma** Head North Region Auxilia technology Private Limited Chandigarh and **Er Isha Agnihotri**, R&D Executive PDC Deptt Auro Dyeing Vardhman Textile Limited Baddi Solan HP delivered expert lectures on **“Marketing in Textile Industry and Latest Dyeing Techniques Adopted in Industry”** on 5-6th September, 2016 .
- **Prof. K. Balasubramanian**, Dean/Head Department of Material Engineering, Defence Institute of Advancement Technology, Pune on the topic of **“ Latest Research and Development in Technical Textiles“** on 20th March, 2017

Industrial Visits organized:

- An Industrial visit to **NIFT Kangra, Wool Federation Palampur and Hand Loom Industries at Chamba** from 26 to 28 September, 2013. Mr. Amit Kumar and Miss Preeti Gautam Assistant Professor accompanied students for this visit.
- An Industrial visit for 2nd year students Textile Engineering students was organized in **Deepak Spinners, Baddi Solan** on 10/9/2016. Er Amit Kumar and Er Preeti Gautam Assistant Professor (TE) accompanied students for this visit.
- An Industrial visit for 3rd year students Textile Engineering students was organized in Vardhman **Textile Ltd, Baddi Solan** on 27/08/2016. Er Vivek Sharma and Er Urvashi Malhotra Assistant Professor (TE) accompanied students for this visit.
- An Industrial visit for 3rd year students Textile Engineering students was organized in Vardhman **Textile Ltd, Baddi Solan** on 26-27 October 2017. Er. Priya Jaswal and Er. Ankush Sharma Assistant Professor (TE) accompanied students for this visit.

Glimpse of Our Conferences/Workshops
